New at 10:45 a.m.: "How Goes it With Your Soul?" Gathering

This question has been asked for centuries in the Quaker Tradition and is being explored today in the second hour of Adult Education here at HCC. Jesus asked, "*And what do you benefit if you gain the whole world but lose your own soul?*" Matthew 16:26. All are welcome as we discuss the "you" that exists beyond any role you play, job you perform, defining relationship, or success you may have achieved, entering into a deeper relationship with God. Teachers, Janet Wright and Kelly Evans most recently served with the Rockland Fellows Program, providing graduate-level theological training from Christian scholars and community leaders to the participants. We look forward to this new teaching series as a part of Highline University.
